PRE-APPLICATION MEETING

A pre-application meeting is required for all Special Use Permits. Items of discussion may include requirements, citizen participation plan, community and area plans, zoning patterns and trends. In addition, the applicant may wish to contact other County Agencies such as Transportation, Drainage Review, Flood Control and Environmental Services for any possible special requirements in processing the application. If your request is within 3 miles of an incorporated City or Town the applicant should contact them as well.

After the meeting and after consulting with staff, the applicant may begin implementing the citizen participation plan (See Citizen Review Process Summary / Guidelines).

FILING AN APPLICATION

To apply for a Special Use Permit, the following information is required (specifics for each item are included in the application packet):

1. A copy of the Pre-application Meeting Form (distributed at the pre-application meeting).
2. A completed and signed application form. A "Property Owner Authorization" form must also be completed if the applicant is not the property owner.
3. Verification of ownership of the site, such as a recorded deed.
4. Plan of Development (also know as a Site Plan).
5. Narrative Report, describing and justifying the request, property and area conditions, potential impacts, proposed improvements, services, utilities, etc.
6. A listing, mailing labels and postage-paid envelopes for each property owner within 300' of the property. An "Affidavit of Notification" regarding the surrounding property must also be completed, signed and notarized.
7. Application fees for Planning, Drainage Review, Flood Control and Environmental Services.
8. Photographs of the site and adjacent properties.
9. Citizen Participation Plan, describing the parties contacted by the applicant, how information about the application is disseminated, how inquiries are handled, schedule of completion, etc.

SPECIAL USE PERMIT PROCESS

TECHNICAL ADVISORY COMMITTEE (TAC) REVIEW

After a complete application is submitted and accepted by the Planning Department, staff will forward copies of the application to members of TAC. TAC is composed of representatives of the County's Planning, Transportation, Drainage Review, Flood Control and Environmental Services departments, as well as representatives from any other County department, fire district, school district, City or Town, homeowner's association, or other interested party that is in close proximity or has jurisdiction over the site.

Staff will schedule the request for review by TAC (see attached schedule), and notify you of the actual date and time that your request is scheduled. Staff will provide you with written comments from any reviewing agency unable to attend the meeting.

POST-TAC REVIEW

Depending on the comments received at TAC, the application materials may need revisions. The applicant must submit revised materials, reflecting the TAC comments, to the Planning Department, which will forward the revised materials to the appropriate agencies. Once all reviewing agencies are satisfied that the technical requirements have been met (more than one re-submittal may be necessary) and the Citizen Participation Plan Report has been satisfactorily completed (see Citizen Review Process), the request will be scheduled for public hearing by the Planning and Zoning Commission. Staff will also make the necessary mailing, publication and posting notices, as well as prepare a staff report. Please note that compliance with comments from TAC and/or staff does not guarantee that the application may be supported or recommended for approval by staff or the Planning and Zoning Commission, or be approved by the Board of Supervisors.

PLANNING AND ZONING COMMISSION

The Planning and Zoning Commission will hold a public hearing for all interested persons wishing to comment on the Special Use. The applicant must attend this meeting, and will be asked to comment on the request, the staff report and any comments that are made during the public hearing. The Commission will make a recommendation to approve or deny the request. Their recommendation may or may not concur with staff's recommendation.

BOARD OF SUPERVISORS

The Special Use Permit request will again be advertised and posted prior to a public hearing before the Maricopa County Board of Supervisors. The Board of Supervisors will ultimately vote to approve or deny the request. Their action may or may not concur with the recommendation made by the Planning and Zoning Commission.

POST-BOARD OF SUPERVISOR ACTIVITY

Once approved by the Board of Supervisors, the Special Use Permit becomes effective 31 days after Board action and when any required stipulations are met. The applicant may then obtain a Zoning Clearance and Building Permit as long as the property is in compliance with the Maricopa County Zoning Ordinance.

STATUS REPORTS

Status Reports are required on a regular basis (usually every 2 years from the date of approval) to evaluate the progress of the Special Use Permit in complying with the terms and conditions of approval. Status reports should be submitted to the Planning Department at least 1 month before the review deadline. The Planning Commission may accept the status report, require additional information, or take other action as deemed appropriate (including revocation). Failure to submit a status report may be cause for revocation. Contact staff for status report requirements.

APPEALS OF ADMINISTRATIVE DECISIONS

In accordance with ARS §11-810 and §11-811, you may appeal any exaction or dedication required by an administrative decision of County staff to a Hearing Officer for their review and determination. For additional information please contact staff.

CITIZEN REVIEW PROCESS SUMMARY / GUIDELINES

Purpose

Pursuant to A.R.S. § 11-829, Paragraph B, on May 2, 2001 the Maricopa County Board of Supervisors adopted a citizen review process for rezoning and special use permit cases (Section 305 of the Maricopa County Zoning Ordinance). There are three basic requirements for a citizen review process of rezoning and special use permit applications:

- Notifying citizens of the rezoning *application*, and not just the public hearing.
- Informing citizens of the substance of the application.
- Providing citizens an opportunity to express issues or concerns prior to any public hearing regarding the application.

Public participation is an important component of successful planning. Citizens need and deserve ongoing communication regarding projects and issues that affect their communities. Through the citizen review process, Maricopa County demonstrates its commitment to ensuring that applicants pursue early and meaningful citizen input in applications for changes in zonings and special use permits. Such participation will help an applicant resolve concerns early in the process, and promote goodwill between the applicant, county officials, citizens, property owners, and other stakeholders. While the citizen participation program may not produce complete consensus regarding specific applications, it will encourage applicants to make sound investment and planning decisions by listening to and, where feasible, addressing the concerns of their neighbors.

Process

The Citizen Review Process has five required elements that are discussed below:

1. Requirement for a Pre-Application Meeting
2. Requirement to develop a Citizen Participation Plan
3. Requirement to notice adjacent property owners upon application
4. Requirement to post properties upon application
5. Requirement to complete a Citizen Participation Results Report

1. Requirement for a Pre-application Meeting / Pre-application Meeting Form

Prior to submitting a formal application, the applicant is required to participate in a pre-application meeting with Planning and Development Department staff. Pre-application meetings allow applicants to become familiar with the planning process, and also enable the applicant to obtain guidance with the requirements of the Citizen Review Process. At the pre-application meeting, the *Citizen Participation Plan* will be discussed between staff and the applicant.

At the pre-application meeting, staff will provide the applicant with a copy of the *pre-application meeting form*. This form is used to verify that the pre-application meeting has occurred. **Please do not discard or misplace this form – it is a required submittal with your application.**

2. Requirement to develop a Citizen Participation Plan / Plan format

The Citizen Participation Plan discusses the extent and procedure the applicant will take to complete the Citizen Review Process. Staff and the applicant will discuss the extent of the Citizen Participation Plan at the pre-application meeting. At a minimum, the following information should be submitted as a part of the Citizen Participation Plan, using the headings and format shown below:

CITIZEN REVIEW PROCESS SUMMARY / GUIDELINES

Title Page

- Map. Include the project name, general location and vicinity

Parties Affected by Application

- Discuss which residents; property owners, interested parties, political jurisdictions and public agencies may be affected by the application.

Notification and Information Procedures

- Discuss how those interested in and potentially affected by an application will be notified that an application has been made.
- Discuss how those interested and potentially affected parties will be informed of the substance of the change, amendment, or development proposed by the application.

Response Procedures

- Describe how those affected or otherwise interested will be provided an opportunity to discuss the applicant's proposal with the applicant and express any concerns, issues or problems they may have with the proposal in advance of the public hearing.

Schedule for Completion

- Describe the schedule for completion of the Citizen Participation Plan.

Status Procedure

- Describe how the applicant will keep the Planning and Zoning Department informed on the status of their citizen participation efforts.

The level of citizen interest and area involvement will vary depending on the nature of the application and the location of the site. The target area for early notification will be determined through a coordinated effort of the applicant and staff. The Planning Director shall resolve any disputes that may arise while arriving at the target area. At a minimum, the target area of the *Citizen Participation Plan* shall include the following:

- a) real property owners within 300' of the proposed zone change or Special Use Permit request;
- b) the head of any homeowners association within 300' of the proposed zone change or Special Use Permit request;
- c) other potentially affected citizens in the target area who have requested that they be placed on the routing list maintained by the Planning Department.

Applicants may submit the *Citizen Participation Plan* for review as early as the pre-application meeting, but must submit such plans with formal application.

3. *Requirement to Notice Adjacent Property Owners Upon Application and*
4. *Requirement to Post Properties Upon Application*

Within 30 days the applicant shall send notice by first class mail to each real property owner as shown on the last assessment of the property within three hundred feet of the proposed amendment or change. The notice by mail shall include, at a minimum, description of the area of the proposed amendment or change, a general explanation of the nature of the proposed amendment or change, the name of the applicant, and contact information for the applicant. A copy of the notice and an affidavit demonstrating proof of such notification shall be submitted to staff within 30 days of application submittal. An example and template notice forms are provided in the zone change / Special Use Permit application packets.

CITIZEN REVIEW PROCESS SUMMARY / GUIDELINES

Within 30 days of submitting a formal application, the applicant shall also post the property included in the proposed change. The posting shall be in no less than two places with at least one notice for each quarter mile of frontage along perimeter right-of-way so that the notices are visible from the nearest public right-of-way. Each notice shall be a minimum of six square feet in area. The posting shall include, at a minimum, a brief description of the area of the proposed amendment or change, a general explanation of the nature of the proposed amendment or change, the name of the applicant, and contact information for the applicant. Each posting sign shall remain standing for at least two weeks. A signed affidavit along with photographic evidence shall be submitted to staff demonstrating proof of posting within 30 days of application submittal. An example is provided in the zone change / Special Use Permit application packets.

The Affidavit of Citizen Participation, which addresses both the Posting and Noticing requirements, should be submitted at the Technical Advisory Committee meeting or within 30 days of application submittal. The Affidavit of Citizen Participation form is provided in the zone change / Special Use Permit application packets.

5. Requirement to Complete a Citizen Participation Results Report

Upon completion of the Citizen Participation Plan process, the applicant must submit an official report on the results. At a minimum, the following information should be submitted as a part of the Citizen Participation Results Report, using the headings and format shown below:

Title Page

- Include the project name, general location and vicinity map.

Details and Techniques Used To Involve the Public

- Include all dates and locations of any and all meetings where citizens were invited to discuss the applicant's proposal.
- Provide the content, dates mailed, and number of mailings, including letters, meeting notices, newsletters and other publications.
- Indicate the location of residents, property owners, and interested parties receiving notices, newsletters or other written materials.
- Indicate the number of people that participated in the process.

Summary of Concerns, Issues and Problems

- Describe the substance of concerns, issues, and problems.
- Describe how the applicant has addressed or intends to address perceived or real concerns, issues, and problems expressed during the process
- Describe perceived or real concerns, issues and problems with which the applicant disagrees, which the applicant cannot address, or which the applicant chooses not to address, including an explanation of the applicant's reasoning.

The *Citizen Participation Results Report* must be submitted and approved prior to scheduling the case for public hearing with the Planning and Zoning Commission and County Board of Supervisors.

I, _____, being owner or authorized applicant for the zoning case or special use permit referenced below, do hereby affirm that within 30 days upon submitting an application I have posted the property included in the proposed change. The postings were no less than two places with at least one notice for each quarter mile of frontage along perimeter right-of-way so that the notices were visible from the nearest public right-of-way. The notices were a minimum of six square feet in area and, if poster board or foam board, were laminated. The postings included, at a minimum, a brief description of the area of the proposed amendment or change, a general explanation of the nature of the proposed amendment or change, the name of the applicant, and contact information for the applicant. The postings remained in place for a minimum of 14 days.

SUBMIT PHOTOGRAPHS OF THE POSTINGS MOUNTED ON AN 8 ½ X 11 SHEET OF PAPER WITH THIS AFFIDAVIT.

I also affirm that within 30 days upon submitting an application, I have noticed by first class mail to each real property owner as shown on the last assessment of the property within three hundred feet of the proposed zoning case or special use permit. The notice by mail included, at a minimum, a description of the area of the proposed amendment or change, a general explanation of the nature of the proposed amendment or change, the name of the applicant, and contact information for the applicant.

SITE POSTING INSTRUCTIONS

1. *Arizona State Statutes* requires that the site posting in the unincorporated county "be no less than two (2) places with at least one notice for each quarter mile of frontage along perimeter rights-of-way so that the notices are visible from the nearest public right-of-way." A map designated the location of posting sites will be given to the applicant at the Technical Advisory Committee (TAC) meeting.
2. The signs must be erected prior to the due date for submitting a notarized Affidavit of Posting and photographs of the posting (see next page).
3. The signs must be maintained and updated with amended information until after the Board of Supervisor's hearing.
4. The signs must be removed and disposed of within 10 days after the Board of Supervisor's hearing.
5. You may use a sign vendor of your choice or see attached listing.
6. A notarized Affidavit of Posting and photographs of the posting must be filed with the Maricopa County Planning and Zoning Division by the applicable date indicated on the Filing Deadlines and Hearing Date Chart. Failure to provide such documentation in a timely manner will result in continuance of the case to the next available Planning and Zoning Commission (P & Z) hearing.
7. See "Sign Specifications" for specific sign details.

Planning & Development Department

SIGN SPECIFICATIONS

1. The sign shall be a minimum of 3ft x 3ft in size.
2. The sign shall be constructed of laminated coroplast, laminated plywood, or other suitable construction material approved by planning staff.
3. The sign shall have a white background with black lettering. The least expensive process is laminated direct printing.
4. The minimum lettering size shall be 1/2 inch for lowercase and 1 inch for upper case. The words "Public Hearing" shall be a minimum of 2 inches in size. (Sign lettering should be formatted to match the example below).
5. The content of the sign shall match the example below and include specific case details.
6. The sign shall be securely fastened to wooden or metal stakes. The applicant is responsible for maintaining the integrity and accuracy of the sign.
7. The height of the sign shall be at least 4 ft from finished grade to top of sign and shall not be obstructed from view.

DRAINAGE REVIEW REQUIREMENTS FOR SPECIAL USE

The drainage information required depends on the type of use and the size of the project. For commercial/industrial uses, the requirements for precise plan will need to be submitted. For residential and other uses, the following minimum drainage information will be needed:

1. Show direction of onsite flow on the plan.
2. Show retention calculations, the location, and size of the basin.
3. Show any washes that flow through the site.
4. Show finished floor elevation if buildings are to be built.
5. Show elevation contours or spot elevations on the site plan.
6. Fill out the following Table:

Miles/Acres of Protected Natural Watercourse ¹		
Miles of Improved Watercourse or Storm Drain ²		
Acres of Retention or Detention Areas ³		

¹ Miles/Acres of watercourse that are preserved in a natural state by Open Space

² Miles of watercourse that is altered by bank stabilization, channelization, and storm drain installation, or grading. Curb and gutter does not qualify as watercourse.

³ Acres of Retention/Detention to be constructed as drainage infrastructure.

Since complex drainage systems may require more detailed information, a meeting should be arranged with personnel from Drainage Review.

Fee:	\$1,000.00 + \$200.00/acre	maximum \$10,000.00
With TAC Hearing – total and additional	\$75.00	
With Public Meeting – total and additional	\$75.00
